We show our pink parts. We defend your hell. We reserve the right to cum in peace. Fuck. Our dancing keeps the engines burning, wheels turning, thrusting towards greener grass. Creative exploration. Horizon's Tented. Ejaculating from nether to paradise. Darkness to light. We will not oppress. We will not discriminate. We listen. We learn. We must do better. Incomplete understanding of Felxuality. The underworld is glamorous. Glittered oviposition. Decontamination. Empathetic Earth. We defend our rights. Plutocratic abortion. Sailing through space to Holy goodness. Protected by love. Together we fight for Plutopia.
