

## **First Resolved Piece**

**“PIS off”, 01/11/2020, *photography*, 20cm x 30cm// 42cm x 59 cm**

***“PIS off” is a series of 8 photographs from a women’s rights protest held in Victoria’s Square, Birmingham. PIS is the ruling political party in Poland who chose to make abortions illegal causing an uproar of public to come stand with the women of Poland in solidarity. These images capture the anger, fear, and devotion to even bringing their children to the protest.***

## **Second Resolved Piece**

**“Camo”, 15/02/2021, *photography*, 30cm x 42cm**

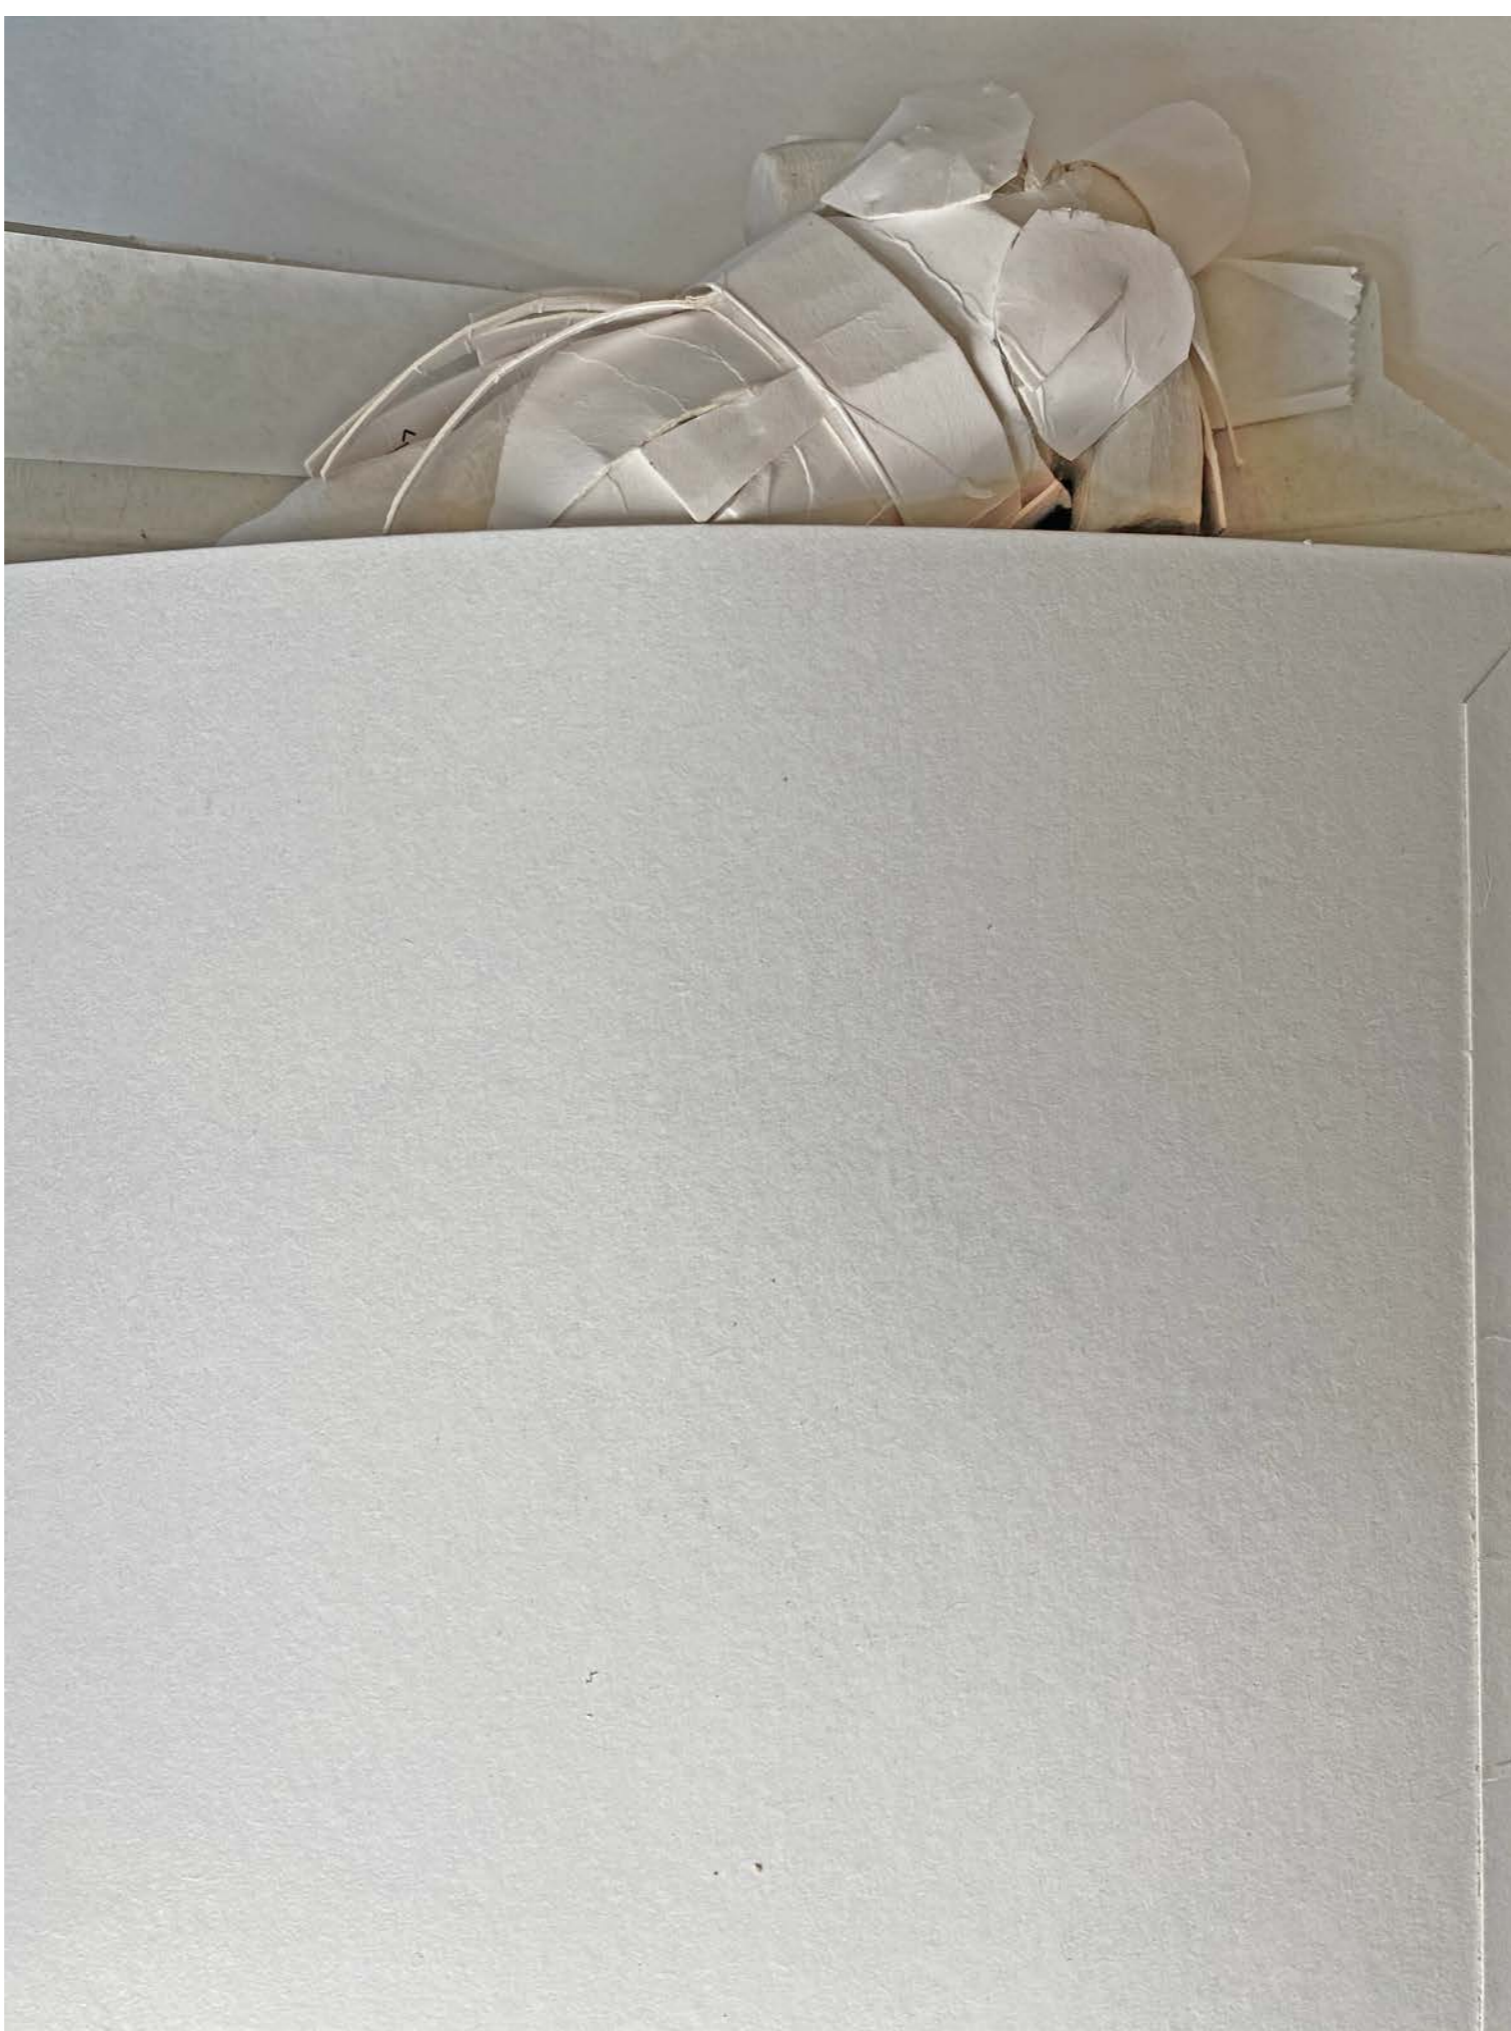

***“Camo”, a series of 5 photographs which show a set of 5 figurine like sculptures covered in armour made out of various materials. Due to covid, all artists had to be more creative when coming up with new ideas, thus finding materials around the house to make the armour contextual enriches these images. The materials of armour include, Paper, Pinecone, Sheepskin, Tea Light Holders and Plastic Water Bottles.***

## **Third and Final Resolved Piece**

**“Womanhood At Its Finest”, 20/05/2021, *photography*, 20cm x 30cm**

***“womanhood at its finest” is a series of 12 photographs that depict the various rituals women have to do to keep themselves safe when leaving the house. These images portray an ominous energy with dark alleys and trash filled streets. The audience should feel unsettled when viewing these images or understand the little things we as women have to go through on a daily basis .***
