Nikol Ignatovic, MA Arts and Education Practices  
*'faux-naïf'*

---

'faux-naïf' is a mixed-media project which explores the relationship between vision, olfaction and geographic locations.

Ig: @nicole\_ign  
W: [nicoleign.wixsite.com/faux-naif](https://nicoleign.wixsite.com/faux-naif)

I aim to convey a Visual Language of Smell through depictions of olfactory perception and memories of visited cities that revolve around a perfume called 'Musc Ravageur'.

Through exploring the visually intangible, the project reveals the importance of narratives held by scent and their effect on personality and behavior.
