Telling The Faerie Folk About Carnac

Telling The Faerie Folk About Carnac is a multimedia project responding to the destruction of the 39 stones at Chemin De Montauban in France and responds to the tragedy through film, live performance, sculpture and print, as a means of contacting Annwn, the Otherworld, and Gwyn AP Nudd, who resides under the Glastonbury Tor. The Faerie Folk must know what happened here. The work speculates on Folk Futures through the combination of natural materials of Celtic Folk aesthetics with metallic material to explore past, present and future folklore.
